#### LIBRARIES SUBSCRIBING TO HAN

A survey of our subscription records conducted some months ago revealed that the following libraries in the United States and elsewhere were subscribers to HAN. If your local academic library is not among them, or has allowed its subscription to lapse, you might put in a word with the serials department. As a special incentive, we offer a complete file of all ten past numbers for only \$8 to all libraries placing standing orders. (This offer is not available to individual subscribers, since the number of copies available for certain issues is limited, and we prefer to make them reach as many potential readers as possible.)
